

Name \_\_\_\_\_ Per. \_\_\_\_\_ Date \_\_\_\_\_

**How Setting Affects Your Story:** In the novel *Far North*, the author uses setting and adjectives to describe many different situations. The setting gives important information about the main characters, who they are, and the plot. In the square below, we want you to draw the setting of your room. In the lines below that, we want you to explain any items that may be confusing.

Explain the picture above using arrows or numbers for objects that may be unclear.
